**The Fresh Protect 99.9% Natural Advantage:**

Fresh Protect is effective at reducing 99.99% of bacteria. It leaves your hands feeling soft and refreshed. Healthcare workers report a considerable improvement in the way their hands feel. This was developed to fill the need for a natural, highly effective yet affordable hand sanitizer that meets hand hygiene protocol.

Fresh Protect Natural is very important to the skin. We have carefully chosen ingredients that are not harmful. A 99.9% natural sanitizer foam or spray and a 96.9% natural pumpable product. They dry fast and go a long way!

Fresh Protect is non-flammable. It does not cause intoxication / drunkenness. Fresh Protect Natural Skin Sanitizer is a NO ALCOHOL skin sanitizer. It is paraben-free. It is formulated with a quaternary ammonium chloride active sanitizer.
