Kills 99.99% of Germs

Fresh Protect Hand Sanitizer is a professional grade skin sanitizer for use in the health care professions. It is an effective alternative to alcohol-based sanitizers. Alcohol-free sanitizers are recommended by the CDC to replace alcohol-based sanitizers. Fresh Protect Hand Sanitizer is FDA, CDC and WHO compliant and conforms to hospital hand hygiene protocol.

Be it Doctors & Nurses, Medical Facilities, Hospitals, Nursing Homes, Emergency Personnel, Home Health Care, Dental, Veterinarian, Municipalities & Sanitation Facilities, Funeral Homes & Mortuaries or Schools & Day Care Groups, Fresh Protect Hand Sanitizer is a wise choice.
